

Dhamma Snippets 11 & 12

He who sees Dependent Origination sees the Dhamma, and he who sees the Dhamma, sees Dependent Origination. **Buddha.**

'...things are seen to arise, not from some intrinsic nature of their own, from necessity, chance or accident, but from their causal co-relations with other things to which they are connected as part of their fixed order obtaining between phenomena.' **Bhikkhu Bodhi, comments on Dependent Origination.**
