

# ***THE HONEYCOMB***

**In my youth  
I sneered at  
An oft-quoted verse  
In folklore  
Telling of how a man  
Facing three  
Imminent threats  
To life  
Holds on to  
A honeycomb**

**Now there is no one  
To ask  
What it all meant  
The Triple Threats!**

**Let me guess.  
We hold on to  
The honeycomb of SENSUAL PLEASURE  
While LIFE, itself  
Is in danger from  
GREED, HATE & IGNORANCE.**
